THE REGULAR MONTHLY MEETING.

The regular meeting of the City Federation will be at 4 o'clock Friday July 26th at the Public Library. It is hoped that the members will be present.

REPORT OF ECHO MEETING.

An enthusiastic meeting was held on Monday morning, July 15th at St. Andrew's Presbyterian church, where an excellent audience gathered to relate their experiences when engaged in the house to house prayer canvass. All reported their visits were well received and a great deal of interest was shown when the subject of daily prayer at the noon hour for the definite subjects mentioned, was presented. Rev. Spencer Jackson opened the meeting and gave a talk on how we can help to answer the prayers we offer. We must work as well as pray and co-operate with all the government asks us to do, he said. After the reports it was thought best to continue such meetings for prayer and conference and in order that the Christian forces of the city shall be brought into more effective service by working together along these lines. A meeting was appointed for Friday morning, July 26th at ten o'clock, at St. Andrew's Presbyterian Church, corner Eighth Ave. and Gay street. All are invited to this meeting and it is especially hoped to have a large attendance of the representative women of all denominations, so that far reaching plans looking to the conserving of work already done may be considered and such action as seems desirable for the future may be mapped out. It will be a time of inspiration, as Christians of whatever name gather for prayer and it is urged that there be members present from every church. Do not miss this occasion of prayer and fellowship. Mrs. G. L. Jackson was appointed to take charge of this meeting.

Sunday school opened promptly at 9:30 o'clock. The school was presided over by the superintendent, Dea. J. A. Turner. The attendance wasn't as large as usual but those present were very interested in the lesson. Class No. 7, Senior Class, was very small, owing to several of the mem-

bers having gone away and some being ill, but they received the banner just the same, as usual. Their teacher, Rev. W. H. Whitaker, was highly elated. At 11:30 o'clock our worthy pastor filled the rostrum and as it was rally day for Deacon J. A. Turner, president of Class No. 5, he didn't preach from the Sunday school lesson as he is accustomed to do. He took for his discourse Eph. 4:32, "And be kind one to another, tenderhearted, forgiving one another, even as God for Christ sake hath forgiven you." He gave some very intelligent illustrations. The sermon was both logical and timely, very much needed by so many of us. The public is cordially invited to come out and help us for we certainly need help as never before. We are endeavoring to build a new church and it takes money to build.
